¾"DD-3/4"DD double uni joint

► Steering Support Bearings

► ¾"DD Steering Shaft

Available in polished stainless or zinc coat, lengths 12", 24", 36".

► ARC Steering Column Mounts

Billet upper steering column mounts in standard or collapsible breakaway design. Sizes to suit 1.75", 2" and 2.25" columns in 2.5", 3.5" or 4.5" drops.

► Lower Column Swivel Mounts

Available to suit 1.75" and 2" columns.

CHASSIS, FRONT AND REAR END, SUSPENSION COMPONENTS

◀ ARC Independent Front Suspension

ARC IFS Front End made for 1928-1934 Ford or similar vehicles. Features include polished stainless upper and lower control arms w/ camber adjustment, adjustable coil over shock absorbers w/ damper adjustment and rack and pinion steering w/ manual or power steering options.

◀ ARC Traditional I-Beam Front End for 1928-1934 Fords

Complete I-beam front end with four bar or hairpin radius rods option. Components of front end can also be bought separately. Engineer Approved with reports.

▲ Adjustable Coil Over Shock Absorbers

Available in 13.5" or 14.5" with spring rates ranging 150lb-350lb.

▲ 9 Inch Diff Assembly - Supplied and Built to Any Stage!

9 inch diff assemblies for Ford Falcon and Mustang, Holden HK-T-G, Holden HQ-WB, LH-LX Torana, VB-VL Commodore, hot rods and pickups. We can supply individual components or build to any stage from housing and axles only to complete bolt in package. Includes 31 spline billet axles, disc or drum brakes, LSD diff centres. Get a quote today!

► ARC Performance Street Nodular Iron Case 9-Inch Diff Centre

Posi Traction four pinion clutch plate LSD, 1310 yoke, 28/31 spline, 3.0, 3.25, 3.5, 3.7, 3.89 ratios.

► ARC Performance Aluminium Case 9-Inch Diff Centre

True Trac LSD, 1350 yoke, available 28/31 spline 3.0, 3.25, 3.5, 3.7, 3.89, 4.11 ratios.

WILWOOD BRAKE KITS AND COMPONENTS

DISC BRAKES
wilwood

► Front Disc Brake Kits

- Front disc brake kit perfect easy upgrade and made to suit OEM spindles
- 4 & 6 Piston Forged Dynapro calipers with dust boot options To meet Aust Standards
- 11" & 12.19" Drilled and Slotted Rotors

Kits to suit:

Holden HQ-WB
Chev C10 Pickup 1963-1987
Chev Bel Air/Impala 1959-1964
Chev Camaro 1967-1969
Chev Chevelle 1967-1972
Chev El Camino 1964-1972
Ford Falcon XW-XF
Ford Mustang 1965-1969
Mustang II IFS Spindle Front ends
MORE KITS FOR AUSSIE CARS COMING SOON!

► Rear Disc Brake Kits

- Suit Ford 9 inch diffs with Small and Large Bearing axle ends
- 4-piston Forged Dynapro calipers with dust boot options to meet Aust Standards
- 11" or 12.19" Drilled and Slotted Rotors
- Featuring internal rotor parking brake assembly

► Adjustable Proportioning Valve

Offers front and rear line distribution with easy rear brake adjustment, black finish.

- Brake light switch with plug & wiring.
- Simplified install with bracket and pre-made lines available.

◀ Brake Tandem Aluminum Master Cylinders

Suit various different brake booster and pedal assembly set ups. Available in two bore sizes from 7/8" & 1"; and two finishes; ball burnished polished and black e-coat. Fits most mounting flanges and features outlet ports both sides, for multiple plumbing options.

DISC BRAKES
wilwood

Aluminium Tandem Master Cylinder, 1" Bore

- Bolts on to most aftermarket and OEM boosters.
- Suits mounting flanges 3.22" to 3.40".

Compact Tandem Master Cylinder, 1" Bore

- Great for tight fit applications at only 166mm long.
- Perfect for Falcon and Mustang.

Booster Delete Master Cylinder, 7/8" Bore

- Designed for a manual applications with no brake booster.
- Supplied with brake push rod to connect to pedal.

Remote Reservoir Tandem Master Cylinder Kit, 7/8" or 1" Bore.

- Perfect for under-dash or under-floor brake pedal arrangements.
- Kit includes two 7 oz. fluid reservoirs, clamps, brackets and hoses.

BRAKE KITS, BRAKE COMPONENTS & PEDAL ASSEMBLIES

► Brake Boosters and Master Cylinders

- Complete booster and master cylinder kits.
- Master cylinders available separately with cast iron or chrome alloy finish, 1" or 1-1/8" bore sizes.
- Brake booster available separately as 7" or 9" single diaphragm and 7" and 8" dual diaphragm. Chrome, zinc and black finish.
- Proportioning valve, adjustable
- GM booster and master kits.

◀ Master Cylinders

- 1" bore, oval design, aluminium body.
- Chrome or black finish.

▼ Hydroboost Hydraulic Brake Assist System

Improved braking for vehicles with low vacuum. 1,800psi of brake pressure, driven off power steering pump, suits four-wheel discs. Includes 1-1/8" oval master cylinder and adjustable proportioning valve.

▼ Brake Kits

- 9 inch diff disc brake kit.
- 9 inch diff drum brake kit.
- Early Ford front disc brake kit.

Early Ford Disc Brake Kit

1964-1972 GM A, F, X Body Booster Conversion (Auto only)

'67-'72 Chevy C10 Booster Conversion (Auto only)

► Brake Pedal Assemblies

- Firewall mount.
- 90 degree under dash (Engineer approved, auto or manual).
- Under floor (auto or manual)

► Hand Brakes

- 11 Inch hand brake lever
- Chrome or black finish.
- Lever only or with cable kit (Cable kit available separately).
- Universal fit.

► Vertical Trans-Mount Hand Brake

- 11 inch ratchet style handbrake lever.
- Chrome or black finish.
- Universal fit.

◀ E-Stop Electronic Park Brake

Push button electronic emergency brake kit.

WIRING KITS, WINDSCREEN WIPER KITS, POWER WINDOWS & SWITCHES

AUSTRALIAN
ROD & Custom

▼ ARC Eazy Wiring Harness Kits

From headlights to tail lights and everything in between! ARC Eazy Wiring harness kits utilise GXL125 high temp cross linker polyethylene jacketed wire, and each wire is labelled every 150mm. Ideal for the home builder!

- Includes pre-wired fuse panel with fuses and breaker.
- Headlight and dipper switches optional.
- Suit Chev, Ford, GM, hot rods and most custom applications.

22 Circuit Wiring Harness Kit, w/ Headlight And Dimmer Switch

12 Circuit Wiring Harness Kit

**12 Circuit Harness Kit
Mini Fuse Box, Suit Hot
Rod, Ford, GM, Mopar**

▼ Fuel Sender to Gauge Linking Module

Corrects the common problem on mismatched fuel tank senders with aftermarket gauges or vice versa. Allows any fuel sender to be used with any electronic fuel gauge. No need to change existing fuel tank senders or gauges when upgrading tanks or gauge clusters.

▼ Power Window Kits

Universal power window kits w/ Illuminated switches.

▼ Windscreen Wiper Kits

- 12V Wiper motor, S/S arm and blade set.
- Two speed cable driven wiper kit w/ park function.

▼ Electric Window Crank Switch

Allows you to use your vehicle's original window crank handle to operate your power window. Rotate the window crank up or down 15 degrees to activate the switch to lower or raise your window

- Includes 5 different shaft inserts to fit all popular models
- Thin, billet aluminum housing for a clean installation in nearly any vehicle
- One kit per window.

▼ Assorted Switches

Headlights, ignition, wipers and floor mount hi-beam dimmer.

► ARC Remote Mount Cable Driven Windscreen Wiper Kits

ARC Performance cable driven wiper kit uses a remote mount wiper motor with cable drive and tubing to connect to gear driven wiper spindles. Perfect for hot rod or custom car project, or tight under-dash applications. Kit includes:

- 2-speed remote mount wiper motor with self park (12 volt)
- Wiper switch and wiring
- Two wiper spindles with changeable splined knurl ends and o-ring body seals
- 1.8m outer tubing supplied in 2 different styles as two separate long lengths to cut length or shorter connecting tube for shorter tube routes
- Two metres of inner worm drive cable
- Instructions

BEST SELLER!

AIR CONDITIONING KITS & COMPONENTS, PERFORMANCE GAUGES

► ARC Performance Gauges

Available with Pulse Generator Programmable or GPS Speedometers! Five or six gauge set w/ colour options white, black or vintage beige face. Hi-beam and indicators built into speedometer, over speed and revs buzzer. Oil pressure and water temp senders included.

- 3-3/8 inch speed/tach, 2-1/16 inch auxiliary gauges
- Gauges and senders available separately

3/38 Tachometer, Vintage Beige.

Black Dial 6 Gauge Set, Pulse Speedo

White Face 5 Gauge Set, GPS Speedo

NEW!

ARC Classic 6 Gauge Set, Pulse Speedo Charcoal Dial

► Air Conditioning Kits

Each kit includes evaporator unit, control panel & switches with wiring harness, 508 Sanden style engine compressor, all a/c lines and fittings, condenser, receiver/drier, heater water control taps, ducting and dash vents.

Mini Cooler AC Cool Only, Integrated Style

Maxi Cooler AC, Heater & Demister, Integrated Style

Mustang Style AC & Heater, Under Dash

Slimline AC Heater & Demister, Under Dash

▼ Twin Outlet Heater Demister

Universal application to suit hot rods, Ford, Chev, Holden etc.

▼ Firewall Fittings

- Billet thru firewall AC and heater fittings, two way and four way, silver or black.

▼ Sanden Brackets and Compressors

- 508 Sanden engine brackets to suit SBC, BBC, Ford Windsor and LS engine.
- 508 Sanden style AC compressors chrome, V-belt or Serpentine.

ENGINE COMPONENTS & ACCESSORIES

► Small Block Chev

- Street Warrior and Air Gap Dual plane intake manifold in satin or endurashine finish
- Billet engine pulley kits suit short/long water pump in various groove configurations
- Billet Gilmer Drive kits suit short/long water pump.
- Billet thermostat housings 90 swivel suit SBC, BBC
- Complete serpentine engine pulley kit w/ alternator, AC and power steering pump.
- Billet alternator bracket suit SBC short/long water pump.
- Billet Saginaw power steering brackets.
- Electronic distributors HEI, and standard electronic.
- Rocker covers, polished or black powder coat available.
- Alloy water pumps available satin and chrome.
- 3HP Hi-Torque starter motor.
- Oil Pan LH Dip Stick, polished or black powder coat available.
- Engine Dipstick braided stainless, silver or black.
- Alloy timing cover in polished or black.
- Engine mechanical fuel pump.

AUSTRALIAN
ROD & Custom

► GM LS Engine Components

- Engine swap oil pan – rear hump sump.
- Engine swap oil pan suit Holden HQ-WB.
- Engine dip sticks in silver or black.
- LS engine to SBC mount adaptor kit.
- Billet 90 degree swivel thermostat housing black or satin.

► Valve & Coil Covers

- Suit LS1 LS2 LS3 LS6 (Chev 5.8, 6.0, 6.2),
- Black aluminium construction
- Mounts the two most popular LS ignition coils

ENGINE COMPONENTS & ACCESSORIES, TRANSMISSION ACCESSORIES

► Ford Windsor/Cleveland

- Street Warrior dual plane Intake Manifold for 289/302 and 351 Windsor.
- Billet engine pulley kits in various groove configurations suit Windsor and Cleveland.
- Billet Gilmer Drive Kits Windsor and Cleveland.
- Billet thermostat housings 90 deg swivel suit Windsor.
- Billet Alternator brackets suit 289/302/351W.
- Electronic Distributors HEI suit Windsor.
- Rocker covers – polished or black powder coat.
- Alloy water pumps satin suit 289-302-351W.
- 1.4Kw stator motor and 3HP Hi-Torque starter motor suit Windsor & Cleveland.
- Oil pan, polished suit 289/302W.
- Engine mechanical fuel pump.

► Transmission Accessories

- Alloy T350/400/700, 4L60 trans pan in polish or black.
- Chrome C4 pan.
- Trans dip sticks T350/400/700, 4L60, Ford C4, Chrysler 904.
- Stainless kickdown cables T350, 700, Ford C4.
- Engine tubes and transmission crossmembers.

► Transmission Mount Floor Shifter

- Suit GM T350, T400, T700, 4L60, and Ford C4.

► Air Cleaners and Accessories

- 14" round and 12"/15" oval alloy full or half finned.
- Caddy style air cleaner.
- Bug catcher style air scoop.
- Hilborn style in single or dual carb.
- Shotgun style air scoop.
- Billet lead separators.
- Alloy breathers polished or black.

HOT ROD ACCESSORIES, LIGHTING, FUEL TANKS

A U S T R A L I A N
ROD & Custom

► Interior and Exterior Accessories

- Washer tanks suit early Holden, Ford and hot rod
- Billet accelerator pedals, brake pedal pads
- Peep mirrors, swan neck mirrors
- Interior mirrors (large and small)
- Stainless braid throttle cable 24" and 36", and throttle cable brake
- Bear claw door latches with fitting kits available, small and large style

► Bear Claw Latches

Bear claw door latches with fitting kits available, small and large style.

► Lighting

- 7" Tri-Bar headlight lens w/ park light or indicator lens.
- 7" Dietz style head lights available in polished stainless or black.
- 1932 Ford dropped stainless headlight bar.

- 1932 Ford steel grille shell and stainless insert, smooth or original radiator cap, with or without crank hole. Shell and insert available separately.

► Engine Cooling
